**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 21, 23-24, 29, 31-32, and 35-42 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art, individually or in combination, fails to disclose, teach or suggest in regard to claims 21 and 29, a method and computer readable medium storing a computer program for providing technical services to a telematics device, comprising selecting, at a service center configured to facilitate communications to and from the telematics device, a technical service action for at least one telematics device and associated, at the service center, the selected technical service action with a unique identification code assigned to a respective telematics device. The closest prior art, Stefan et al, discloses telematics based programming gateway. The prior art teaches providing technical services to a vehicle through a telematics device, but does not disclose being able to receive any technical service for the telematics device or the service center configured to associate a service with a certain telematics device

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
